Retirement Homes  
Mountain Home

# ABOUT US

At Country Living, you will enjoy maintenance-free living with more time for activities that enrich your life – leaving worries of home ownership repairs behind.

Country Living has spacious bedrooms to provide 24/7 care for seventy residents. Our residences are designed with amenities that pamper and inspire.

Retirement Homes

## **QUALITY CARE**

Country Living is designed to offer our residents a vibrant independent life, being one of the largest employers in Mountain Home with passionate staff available around the clock.

**EXPERT &  
LOVING CARE**

## **OUR VISION AND MISSION VALUES**

As a resident of our award-winning assisted living facility, you can enjoy peace of mind knowing that a full range of services and care options are provided by an administrator with more than 20 years of experience, an in-house registered nurse, trained medical technicians and caregivers with 24/7 staffing for your care.

That way, if your health needs change, we have the expertise and services that can allow you to stay with a system you know...and one that knows and cares for you, too. It is our utmost priority to create a seamless transfer of trust between our staff and residents.

**Our Priority  
is YOU.**
